

Table of Contents

Chapter 1 The Purpose of and Need for Action	Page
Introduction	1-1
The Purpose of and Need for the Proposed Action.....	1-3
The Service and the Refuge System Policies and Mandates Guiding our Planning....	1-3
Conservation Plans and Initiatives Guiding the Project.....	1-7
Refuge Establishment Purposes and its Land Acquisition History.....	1-9
Refuge Administration	1-10
Refuge Operational Plans (“Step down” Plans).....	1-10
Refuge Vision Statement and Goals	1-10
The Comprehensive Conservation Planning Process	1-11
Issues.....	1-12
Issues Outside the Scope of this Analysis or Not Completely Within the Jurisdiction of the Service	1-15
Chapter 2 Alternatives Considered, Including the Service-preferred Alternative	
Introduction	2-1
Formulating Alternatives	2-1
Actions Considered but Eliminated from Detailed Study	2-2
Actions Common to Both Alternatives	2-3
Alternative A: Current Management	2-8
Alternative B: Service-preferred Alternative	2-12
Highlights of Respective Alternatives’ Actions as they Relate to Goals	2-22
Chapter 3 Affected Environment	
Introduction	3-1
Geology and Land Use Setting	3-1
Regional Demographics & Economic Setting	3-3
Refuge Staffing and Operations	3-5
Habitat Types and Vegetation.....	3-5
Wildlife Resources	3-9
Visitor Services	3-10
Cultural or Historic Resources	3-11
Chapter 4 Environmental Consequences	
Introduction	4-1
Effects on Socioeconomic Environment.....	4-2
Effects on Air Quality.....	4-3
Effects on Physical Resources.....	4-3
Effects on Natural Soundscape	4-5
Effects on Biological Resources	4-5

Chapter 4	Environmental Consequences (continued)	Page
Effects on Public Use and Access	4-10	
Effects on Cultural and Historic Resources	4-12	
Cumulative Impacts	4-12	
Short-Term and Long-Term Productivity	4-14	
Unavoidable Impacts	4-14	
Potential Irrecoverable and Irreversible Impacts	4-14	
Summary of Environmental Consequences by Alternatives	4-15	

Chapter 5 Consultation and Coordination with Others

A Public Involvement Summary	5-1
Refuge Partnerships.....	5-1
Refuge CCP Planning Team.....	5-1
Assistance from Others	5-2

Glossary & Acronyms Glos-1

Bibliography Biblio-1

Appendices

Appendix A. Findings of Appropriateness and Compatibility Determinations.....	A-1
Appendix B. Wilderness Review.....	B-1
Appendix C. Species of Conservation Concern.....	C-1
Appendix D. Service Asset Maintenance Management System (SAMMS).....	D-1

List of Figures

Figure 1.1. The Comprehensive Conservation Planning Process 1-11

List of Tables

Table 2.1. Highlights of respective alternatives' actions as they relate to goals	2-22
Table 3.1. Refuge revenue sharing payments to the towns of Greenfield and Temple, 2000-2006	3-4
Table 3.2. Acreage of habitat types at Wapack refuge	3-5
Table 4.1. A summary of the foreseeable consequences of each alternative.....	4-15

List of Maps

Map 1-1. Location of Wapack NWR	1-2
Map 2-1. Refuge Trails	2-6
Map 3-1. Habitat Types	3-6
